# Wow the beauty junkies in your life with these fab finds.

By A.J. Hanley

**1/** Pop open the **L'Occitane Shea Butter Star Ornament** (\$14, amazon.com) and you'll find some cult-status moisturizing products packed inside.

**2/** Modern, fresh notes of pepper, leather and sandalwood are part of the aromatic appeal of **Jimmy Choo Man Blue Eau de Toilette** (\$70, nordstrom.com).

**3/** Fermented vinegar is just one of the ingredients in **ONEOSEVEN Core Flex Hydro Rich Cream** (\$52, nordstrom.com), a K-beauty secret formula that intensely hydrates while boosting skin's strength and elasticity.

**4/** Adorned with Swarovski crystals, the **Beachwaver On Set Pro Brush** (\$64, beachwaver.com) marries nylon and boar bristles—a must for sleek and silky strands.

**5/** Your gym buddy will thank you for **Kenra Platinum Refresh Dry Shampoo Foam** (\$22, ulta.com). Infused with glacial oceanic mineral water, it gently cleanses, absorbing excess oil and extending blowouts.

**6/** For the gent who hates to shop but likes to look good, gift the **Baxter of California Really Great Hair Set** (\$59, amazon.com). Included is a fortifying shampoo, grooming cream, clay pomade and handy pocket comb.

**7/** From a shimmering copper hue (Say It Ain't Soho) to a deep navy blue (Booties on Broadway, pictured), **Essie's Limited Edition Fall Nail Polish Collection** (\$9 each, essie.com) nails the New York state of mind.

**8/** **Ssanai Hair Stunner Wax** (\$19, amazon.com) boasts a matte finish and masculine scent (think woody notes and pepper) your guy is sure to love.

**9/** With 14 full-pigment shades to play with and a double-sided brush, the **Anastasia Beverly Hills Norvina Eye Shadow Palette** (\$42, anastasiabeverlyhills.com) aims to bring out your inner makeup artist.

**10/** Not sure what to buy the receptionist at work or put in your sister's stocking? With 18 snag-free elastics, the festive **Goody**

**Holiday Ornament** (\$2.99, target.com) is as useful as it is cute.

**11/** Help a loved one stave off dry skin—and kick-start a smart anti-aging plan—with the **Erno Laszlo Hydra-Therapy Starter Skin Kit** (\$89, amazon.com).

**12/** You'll be batting a thousand with **Nars Climax Mascara** (\$24, narscosmetics

.com). The ribbed bristles let you build your lash volume for an eye-catching va-va-voom effect.

**13/** The first fragrance by famed fashion designer Raf Simons, **Calvin Klein Women Eau de Parfum** (\$84–\$106, amazon.com) is uniquely feminine with its exotic and spicy notes of eucalyptus, orange flower and Alaskan cedar.

**14/** A blend of fruits and musk, **Hard Candy Black Eau de Parfum Fragrance Spray** (\$12.97, walmart.com) is not only flirty and affordable but mood-boosting as well.

**15/** In addition to looking cool, the charcoal bristles of the **Burst Sonic Toothbrush** (\$70, burstorlcare.com) collect and absorb bacteria, plaque and

germs between teeth and gums.

**16/** Formulated with natural peptides and plant extracts, **3LAB Healthy Glow Lip Balm** (\$55, 3lab.com) offers major hydration and a buildable pink tint, while helping to plump fine lines.

**17/** Give a girl-friend the French spa experience with the **YON-KA Paris Body Detox Kit**

(\$98, amazon.com). A rich exfoliating cream and invigorating dry oil come complete with a La Vie en Rose pouch.

**18/** Your recipient will be doubly excited about **Rawceuticals Red Berry Dual Mask & Gommage** (\$60, emerginc.com), which works as a clarifying exfoliant and restorative mask.

**19/** Pony up! Whether you're

down for the '90s hair-tie trend or not, it's hard not to covet this plush **Jen Atkin x Chloe + Isabel Fuzzy Scrunchie** (\$30, chloeandisabel.com).

**20/** Help a pal score an Instagram-worthy glow with **Stila Shine Bright Heaven's Dew Palette** (\$45, sephora.com). Reflective pearls in the wet/dry formula add a subtle glistening effect.

**21/** The **Revlon Salon Advanced 3x Copper Ceramic Curling Iron** (\$29.99, ulta.com) fuses ceramic and copper to heat up superfast and create smooth, long-lasting curls every time.

**22/** With a trio of scented, effervescent bath bombs in one package, **Soap & Glory's Let's Get Fizz-a-Ball** (\$12, walgreens.com) is a slam

dunk for anyone who enjoys a pampering soak at the end of a stressful day.

**23/** Dress up your tresses throughout the holiday season and beyond with a double-strand **Hettie Hair Accessories Velvet Pearl Crown** (\$45, hettieaccessories.com).

**24/** Sure, it's a splurge. But the **Foreo UFO Smart**

**Mask Treatment** (\$279, foreo.com) is worth every penny, combining LED therapy with Korean mask formulas. Safe and painless, it takes just 90 seconds to rejuvenate your skin.

**25/** Powered with plant enzymes and AHAs, the **Dermalogica Rapid Reveal Peel** (\$85, dermalogica.com) speeds cell turnover for smoother skin.
